Keynote Speech Abstract

Speech 1 (Prof. Amang (Song-Kyoo) Kim)

Systematic Innovation is the model-based technique for generating innovative ideas in the structured paths. It has been widely adapted to evolve the high-technology industries consumer electronics sector such as smartphone development. User Experience is the way a person feels about using a product, system or services and it is one of high-tech sectors called HID (Human Interface Design). Social science method such as human behavior economics can be applied to bring the innovative solutions of various HID area under Systematic Innovation process. The demonstration for the adaption of social science underlined with the innovation is the major of the presentation.

Speech 2 (Prof. Yixun Shi)

Advertising is an important component of marketing efforts. This paper concentrates on the effects of the advertising actions and proposes a class of generalized Markov chain models based on the normal distribution for estimating the advertising effects with changing transition matrices. Numerical procedures for establishing such models and estimating market status are also presented. Further comments are also made in the paper to address the possibilities of using other types of models, real-time on-going modification of models, piecewisely defined models or compositions of models.

SOFITEL LUXURY HOTELS

SOFITEL MACAU AT PONTE 16

<http://www.sofitelmacau.com/zh/the-hotel.html>

Like a modern Portuguese palace, Sofitel Macau at Ponte 16 rises to a height of 18 floors. Swirling curves of the cobbled forecourt and driveway lead to the lobby with its shimmering crystal ceiling, mosaic floor and massive hand-painted mural. Amidst all this glamour and space Sofitel Ambassadors greet arrivals with a smiling “Bonjour or Bonsoir!” straight from the heart. French sophistication and Sofitel’s impeccably polished art of living complement Macau’s long tradition of welcoming discerning international visitors.

For business and leisure travellers alike Sofitel Macau provides a unique riverside location at the heart of Macau’s original trading and artisanal area, only a few minutes’ walk from major UNESCO-listed world heritage sites namely Senado Square, St. Paul’s Ruins and A-Ma Temple. Feel at home in Macau. Absorb the gentle rhythms of waterborne traffic. Wander at will through the surrounding streets and their intriguing small workshops, traditional eateries, curio stores and neighbourhood temples.

ACCESS: Macau has several points of entries including Macau International Airport, Macau Ferry Terminal and Border Gate (adjacent to Zhuhai,China). From the airport to the hotel, it takes 20 minutes drive by taxi or bus No. 26. From Macau Ferry Terminal, it is 10 minutes drive by taxi or shuttle bus (09:00 -23:00); you can also take bus No. 3.
